Selection Pattern

Selection कैसे होगा?

Written
Examination

360 Marks

Interview

40 Marks

Final Merit = 400 Marks

Key Insight:

Written Exam $\approx$ **90%**
of Final Selection

“ इस recruitment में interview महत्वपूर्ण है, लेकिन असली merit written exam में बनेगी। ”

Written Exam Breakdown

120 Questions का पूरा Game

Concerned Subject

90 Questions

= 270 Marks

General Knowledge

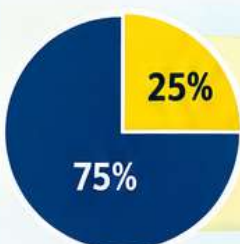

30 Questions

= 90 Marks

Total:

**120 Questions
= 360 Marks**

General Paper =
25% of Written Exam

30 Questions कम हैं,
लेकिन **90 Marks**
कम नहीं हैं।

Why General Paper Can Change Your Rank

Don't Ignore General Paper!

दो Students की कल्पना कीजिए

Student A

- ✓ Subject Strong
- ✗ General Paper Weak

General Score:

35-40 / 90

Student B

- ✓ Subject Good
- ✓ General Paper Prepared

General Score:

60-70 / 90

Possible Gap: 20-30 Marks

Question:

क्या competitive merit में 20-30 marks बड़ा difference है?

Subject दोनों students ने पढ़ा है। लेकिन General Paper में preparation का अंतर final rank बदल सकता है।

Negative Marking = Serious Strategy

Marking Scheme

Correct Answer

+3

Wrong / Multiple Answer

-1

याद रखें:

3 Wrong = -3 Marks

यानी:

1 Correct Answer का पूरा फायदा खत्म

Formula:

Knowledge = Marks

Half Knowledge = Risk

Blind Guessing = Negative Marking

“इस paper में पढ़ना ही नहीं, सही **attempt strategy** भी सीखनी होगी!”

Prepare Smart Score High!
